BEST PRACTICES

The college carries forward the message of universal harmony and progress as enshrined in the Vedas and the Constitution of India. Over the years the college has witnessed many of its students excelling in various fields of social and professional life and this is a very good outcome of the learning activities that we have been involved in with our students.

The college recognizes the uniqueness of each student and the community around it. Spanning over four decades of the learning journey the institution has offered its services, empowering the youth of the region in all aspects of life. The college proudly acknowledges the Distinctiveness of nurturing and promoting a culture of sports among its students and offering the same to the community. Daily free yoga sessions are organized in the campus every morning under the guidance of a certified Patanjali trained yoga instructor. The college has signed an MOU with Pehowa based Registered NGO Goonj Welfare Club to provide free coaching and training in sports besides grooming young minds for the armed forces and competitive exams.

The college has organised workshops focusing on nurturing life skills among its students. Our students have participated in several workshops organised by Rajiv Gandhi National Institute of Youth Development Regional Centre Chandigarh thereby expressing our resolve to bring out the best of learning in body, mind and spirit. Our students have excelled in the field of sports besides promotion of a healthy lifestyle among the community through promotion of yoga, mental wellness and sports. The institution has made a significant contribution towards the mitigation of COVID pandemic with activities ranging from making masks, helping people in distress and encouraging students to carry on with learning. Our students have attended NSS National Integration Camps, NCC wing has been actively performing its role in providing eminent budding youth for our armed forces. We focus on promotion of gender equality and social empowerment not through class room discussions but through active involvement and accomplishments at the ground level.

The college has performed exceptionally well in the Swachh Bharat Summer Internship campaign launched by Government of India, besides promotion of women empowerment, water conservation, communal harmony through awareness activities.

Promotion of voluntary blood donation with a spirit of national integration has been a part of learning at our college. The college Sanskrit Department has been organizing frequent activities ranging from national seminars and workshops towards promotion of Indian Knowledge and culture with a positive and liberal approach towards scientific learning. Our students have bloomed into promising writers and artists through participation in activities of bodies such as Haryana Granth Academy and Punjabi Sahitya Academy.

The institution is committed towards attaining excellence and competence in learning through promotion of extension activities, sports, skill development and innovation. Our Principal, under the patronage and support of DAV College Managing Committee has been organizing special invited talks and seminars sponsored by the Haryana Sanskrit Academy, Haryana Punjabi Sahitya Academy, DGHE Haryana, Panchkula and related bodies and agencies during the last decade for promotion of Indian Knowledge system. The college has been associated with the activities of the Prestigious Saraswati Heritage Board and International Gita Jayanti Mahotsava. The college organizes an annual Voluntary Moral Education Exam organized by Kendriya Arya Parishad for inculcating holistic principles among our students. The college has established a rapport with the community around it for creating and sharing learning resources creating awareness

The college NSS has performed exceptionally well in terms of participation in extension activities organised at the national, State and University level. Our students have made active contribution towards social empowerment through participation in extension activities covering aspects related to Women Empowerment. AIDS Awareness, Fit India, Poshan Abhiyan, Swachh Bharat Summer Internship, Voter Awareness, Digital Literacy, Blood Donation, Tree Plantation, COVID prevention, mitigation, vaccination campaign and related issues of contemporary social relevance. The college has its own research Journal Prithu Darpan to promote creative innovative system and research on higher education. The college has industrial linkage pact with Sanson Paper Industry private limited to enhance the employability skills of our students. The college has signed MOU with 5 colleges to share knowledge, information and Resources. The College wishes to carry forward this legacy in the years to come.
